Angler's Advantage Insurance Big Bass Program

The winner of the "Big Bass" contest at each ABA tournament with 15 or more anglers this year will receive a \$100 bonus prize if that winner's boat is currently insured by Anglers Advantage insurance and the winner is wearing the A. A. I. P. patch!

Simply by having the only boat insurance that is designed with both coverage and special discounts for fishermen, ABA members are eligible to earn an extra \$100 "Big Bass" prize each time they tournament fish. In addition, \$1,000 grand prize can be awarded the winner of the "Big Bass" contest at the National Championship.

Anglers Advantage Insurance is a continuing sponsor of the ABA, and ABA urges its members to consider insuring their boat and fishing equipment with Anglers Advantage Insurance. Most members will find greater coverage, lower costs, or both.
